

Notice of construction works

Elliott Heads Holiday Park – New cabins

Residents and visitors are advised that Council has commenced works to construct new accommodation cabins within Elliott Heads Holiday Park.

Construction of the cabins is expected to be completed in July 2021.

Barriers and signage will be in place where necessary to direct vehicles and pedestrians safely around the work sites.

Council thanks patrons for their patience while the works are carried out.

Please note that inclement weather or other unforeseen circumstances may affect the timing of these works.
